## The JBQH Futurity & Barrelnanza World Finals Draw Posted Online

The JB Quarter Horses Futurity Draw and Barrelnanza World Finals draw have been posted. View the draw at [www.worldbarrelracing.com](http://www.worldbarrelracing.com)

## Over \$100,000 at Charmayne James EquiGames Race

The Cash Payout for the Thunder EquiGames Open Barrel Race, presented by Charmayne James, has risen from \$40,000 last year to over \$100,000 this year, not including the prizes. The payback is 125% of the total entry fees at this point. As is, 57% of the racers will receive a check.

The race has recently undergone a payoff change. After some subtle urgings from contestants, Denny and Charmayne agreed that the average payoff was out of balance with \$50K to first place. Thus, earlier this week they asked if the contestants wanted to stay with a front-loaded race, or to take the actual added money and do a regular added-money distribution. The response was overwhelmingly in the favor of the regular added-money, with 1st place still paying at least \$20,000. So yes, the Open Barrel Race will do a normal payoff calculation with the \$41,000 added.

Also there is a reduced late fee of \$100 to encourage more entries and get more money into the pot. Also, there are no late fees for those adding a second horse if you are already entered. All entries that come in from this point forward will be added to the average. With enough new entries, 1st place may get up to over \$25,000 with standard payback.

To see the updated payout information and contestant list, visit [www.equigames.com](http://www.equigames.com).

## Mental Mastery With Tammy Fischer and Jimmy Kay Davis

Want to conquer your barrel racing fears? Need help staying motivated when barrel racing seems more like a battle than a blast? Want to find that elusive "zone" where things just keep going your way?

Join Barrelracingbuzz.com for an uplifting and defining lecture on mastering the mental aspects of barrel racing with Jimmy Kay Davis and Tammy Fischer on Sunday morning, November 22 at 9:30 a.m. in the Dodge Pavilion Arena, Waco, TX.

Both ladies have endured daunting personal tragedies, yet the two have maintained their presence in the 1D at some of the toughest barrel races in the country.

A multiple Texas Circuit Finals qualifier and former president of the Women's Professional Rodeo Association, Jimmy Kay did what many thought was impossible. Her fight to save the identity of the oldest women's professional sporting organization in the United States came at a high personal price. Though "World Champion" and "National Finals Rodeo qualifier" may not grace her resume... yet, it was through her leadership that the present generation of barrel racers might obtain those very titles under the WPRA's banner. No matter what odds were against her, Jimmy Kay never lost

**JL Takin On Fame** 3-year-old Sorrel Gelding  
If you are looking for a prospect you can begin to futurity next year, this gelding is for you. "Norman" is running the barrels and will be ready to futurity as a 4 year old. I hauled this colt to all the fall futurities and worked him. The sire, Dash Ta Fame, needs no introduction, the dam is a maternal half sister to BF Shenanigan, earner of over \$100,000 his futurity year. This is a super, super fine colt.

**Bellini** 3-year-old Sorrel Filly  
This is a broke filly who is started on the barrel pattern. Her sire, Corona Cocktail, earned over \$214K on the track and is one of the prettiest stallions I have seen. Her dam is by one of the leading barrel horse sires, Dashin Is Easy. This filly is very athletic, kind and has a nice start. She is very pretty and is very correct.

**JL Run N Koak** 2-year-old Bay Gelding  
His sire, Takin On The Cash, now deceased, was a leading race horse and barrel horse sire. His dam (an own daughter of Runnerelse) was a futurity, derby and WPRA money winner. Runnerelse is the sire of Runnin Ricochet Bar, one of the leading futurity colts in 2009. This gelding has a solid 30 days of riding and I just began riding him again. He works naturally off his hind end and is very easy to ride.

## Red Running Meter

*Dr Meter Reader si 90 x Bet A Monk TB (Red Monk)*

'05 Sorrel Gelding, 15.3 hands

A willing, kind horse. He is soft laterally and vertically and does one rein stops, sidepasses both ways, yields hips and forequarters. He tries hard to please, very responsive to your feet and moves very collected with quickness. Has been ridden outside, moves out well and goes up and down hills. He rides gentle and smooth - about anyone will get along with him. He is currently being trotted around the barrels and loves to work the pattern. Red Running Meter should go about any direction and do well. \$3200

her positive attitude. Nor did she let the outside world affect her performance in the arena.

Multiple National Finals Rodeo qualifier and aged event champion Tammy Fischer is by far one of the coolest customers going down the road when it comes to mental toughness. Having endured what no parent ever should, Tammy has persevered when a weaker individual may have crumbled. Tammy's hard-charging style belays her dauntless character. The tribulations of injured horses, broken down vehicles and personal tragedy have forged a champion that will forever be in our hearts.

## 2004 Racing World Champion Be A Bono Retires to Kentucky

Be A Bono earned American Quarter Horse racing's top honor when he was named the World Champion of 2004. He also earned champion 3-year-old and champion 3-year-old gelding honors for 2004.

Owned and bred by the late Spencer Childers of Fresno, California, the sorrel gelding was trained by Dan Francisco. Be A Bono was foaled February 22, 2001, and retired from racing as a 7-year-old. A true homebred, Be A Bono was the result of Childers' breeding program that has spanned more than six decades. The gelding was sired by Childers' homebred Bono Jazz and out of his homebred Be Peacefull, a Raise A Secret mare who has produced two stakes winners and a stakes-placed runner.

"AQHA is proud to have a true World Champion join the Kentucky Horse Park Hall of Champions," said AQHA Executive Vice President Don Treadway Jr. "As American Quarter Horses compete at the 2010 World Equestrian Games at the Kentucky Horse Park, Be A Bono will be a great ambassador for the breed. I'd like to thank Vince Genco for making Be A Bono's transfer to Kentucky possible."

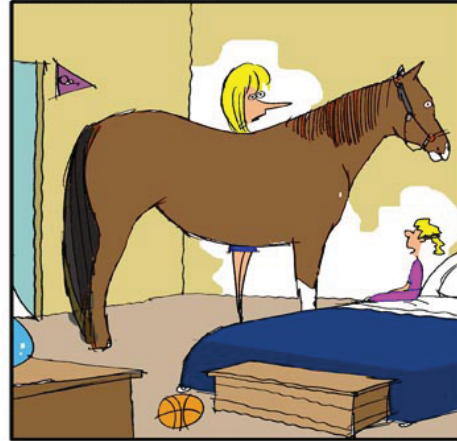

Be A Bono is the first world champion sired by Bono Jazz. The blaze-faced gelding finished his career with 14 wins in 26 starts and earned more than \$1.3 million. In his final start, Be A Bono fin-

ished in a deadheat for the win in an allowance race December 22, 2007, and left the sport as the 19th-richest American Quarter Horse of all time.

Be A Bono is the only horse to finish second twice in the Champion of Champions -- losing both races by a nose. Childers' homebred won the first seven races of his career. His big victories included consecutive renewals of the Vessels Maturity (G1), the Golden State Futurity (G1), the Los Alamitos Winter Derby (G1), the Los Alamitos Super Derby (G1) and three consecutive wins in the race named after his owner-breeder -- the Spencer Childers California Breeders Championship Handicap (RG1).

# Headin' For Home

By Mike Morrison  
Triple M (Mike Morrison Ministries)

**D**o you ever have days when everything seems to go wrong and nothing seems to be right? There is even a saying and a song that says, "Some days are diamonds and some days are stones."

You might say, "How can I have a thankful attitude today when my horse went lame, the water pump quit and we won't have any water until I get a new one. The alternator went out of my pickup and it's sitting by the side of the road, my trailer needs new tires and my youngest son needs braces on his teeth!"

Yeah, some times things come in bunches. The thing to remember is not to lose heart. Take a deep breath, put a prayer on your lips and tackle the problems. Jesus said He'd never leave you nor forsake you. He said in this world we would have trials and problems but to cheer up because He has overcome the world. (John 16:33) He tells us to have peace and trust in Him and He will see us through. God can open doors for us and make things happen that we never imagine.

Scripture tells us to be thankful at all times in Ephesians 5:20 and First Thessalonians 5:18. It might seem hard at first but you can always find something to be thankful for even if it's everyday things like food on your table, a roof over your head, your family, living in a free country and so on.

Or, you can be like the man who said he knew how to cheer himself up and give thanks when he was having a bad day. He said he just looked in the mirror and thanked God that wrinkles don't hurt!!

So don't say you have nothing to be thankful for. Some of us have more wrinkles than others do so I guess you could say, even during a hard time, some of us have more to be thankful for!

**M**ike Morrison and his wife Sherry are ordained ministers in their own non-denominational church in Gillette, WY. They also travel widely as circuit riders ministering over a large area of the western states.
