Extra Spicy -- Shelby Spielman & Fame N Red Hot Top Last Chance American Qualifier

By Tanya Randall

With 158 entries, the Last Chance Qualifier to RFD-TV's The American, held during the Dinosaur Classic in Glen Rose, Texas, has long been talked about as one of the toughest races.

"It was definitely a knife fight," said winner Shelby Spielman of Dalhart, Texas. The 20-year-old junior at Texas Tech University and her new mount Fame N Red Hot ("Hot Donna") collected \$3357.50 for the Qualifier victory, plus another \$1,334.99 in the Open.

Spielman, an ag communications major, said her game plan was to ride aggressive.

"I had ran her the day before, so I knew how I needed to ride during the Qualifier," she said. "I knew she was a little bit settier in an indoor pen, so I rode really aggressive to my second and third barrel. That was kind of my game plan the whole time. I just went in and tried to make a decent run."

Having run at draw 33, Spielman had a lot of time to kill before finding out the official outcome. She and her hauling partner Rainy Robinson stayed busy as long as they could before heading back to the arena to watch the remaining runners.

"I didn't really feel comfortable until they said it was over," Spielman said. "There were a lot of nice horses and I was just hoping to be in the Top 15, to be honest."

Spielman and Hot Donna have only been a team for two short months, but the fit was pretty instantaneous. She learned about the mare from Robinson, who lives down the road from Hot Donna's breeders and trainers Jake and Jessie Telford of Caldwell, Idaho.

"Rainy's lives two houses down from Jessie and she hauled with Jessie to the pro rodeos the last two years, so she knew about her," Spielman explained. "I went up there and tried her. I waited a little bit to make my decision. I never made a run on her before I bought her, I just loped her through the pattern a couple times and knew that I liked her. I entered the Christmas Cash Barrel Race in Amarillo (in early December), and I won second the first day and won it the second day. It's kind of crazy how perfect it worked out."

Hot Donna is a full sister to Famous Cool Whip, who won the American Qualifier at the Bustin' Out New Year's Race in Buckeye, Ariz., with Jessie Telford. Both horses are by Dash Ta Fame and out of Had A Kanita, by Docs Rocky Top, a noted rodeo horse sire in the Northwest. Had A Kanita was Telford's high school and college rodeo horse. Hot Donna is 11, while Cool Whip is 7.

"Jessie jokes around that she likes running for me a lot more than she did her," laughed Spielman. "I've had a lot of nice horses, but

I've never had one this caliber. She just feels really fast when I'm running her. It feels pretty easy for her."

A lifelong cowgirl, Spielman grew up on her parents, Gary and Michelle's ranch. Although her parents didn't compete themselves, Spielman was always around horses and the sport of rodeo. She said she's had a lot of help over the years but gives most of the credit to her parents and the McConnell family in nearby Hereford, Texas. The Telfords, too, have been a lot of help recently.

"My mom definitely helps me a lot and my dad," said Spielman. "They didn't participate but they know a lot about it, so that's always been helpful. Linda McConnell has been a big help. Of course, Jessie Telford, who I bought my mare from, has helped me out a bunch in the two months since I've had her."

Spielman, who is a member of the Texas Tech Rodeo Team, competing in barrel racing, breakaway roping and goat tying—all of which she could use Hot Donna for if she desired, has a busy schedule ahead of her. She'd like to get a run in at Cowtown Coliseum, a.k.a. Northside, to prepare for the American Semifinals, but she

AHC's 1st Quarter Webinar to Discuss ELD Mandate

The American Horse Council (AHC) will host its 1st Quarter 2018 webinar on Monday, February 12th at 3:00 pm ET and will address the recent Electronic Logging Device (ELD) Mandate that has caused much confusion and a lot of questions throughout the equine industry.

"We have been getting quite a few phone calls and emails with questions about the ELD Mandate and how it is going to not only affect the industry, but individuals as well," said AHC President, Julie Broadway. "We hope that holding a webinar addressing the mandate would be a compliment to the brochures we have already put together on this issue."

The webinar will address the details of what the ELD Mandate includes, and who is required to have an electronic logging device. We will also discuss requirements for Commercial Driver's License (CDL), as well as what the AHC is doing to mitigate the effects of the proposed changes on the equine industry.

Both AHC members and non-members are encouraged to attend the webinar. The webinar will also be recorded and posted on the AHC website for those that could not attend. Please register online here, and you will receive an email with login instructions two days before the webinar date.

BFA Board Initiates Several Changes

World Championship 2018 Barrel Futurities of America Board of Directors held its first meeting of 2018 Jan. 19 & 20 at Okla-

homa City, Oklahoma.

Working through a full agenda, the BFA Board acted on items initiating a number of event changes for 2018 BFA World Championship:

- BFA Super\$takes is expanded to 60 slot/lease holders. In response to an ever growing waiting list, BFA will add 5 entries and pay 12 places.
- BFA World \$ale \$takes (juvenile futurity entries that passed through ANY Going Big Time Sale Company auction) is \$1000 entry fee and will be an MVP Juvenile Futurity 1st go round side incentive. 1st payment due Sept. 1st, 2nd payment due Oct. 1st. GBTSC Consignor Incentive remains unchanged, \$7500 paid out to 5 places and a trophy belt buckle.
- BFA Derby go-round payout is changed to a straight pay. All official placings will be paid in the 1D. A guaranteed 2D payout in each go round will be 3 places paid as follows: 1st -\$300, 2nd -\$200, 3rd -\$100.
- The derby payout is unchanged: 30% in each of 2 go rounds, 40% in finals/average.

BFA presents year-end bonus money to the top 6 BFA futurity horses. The BFA Year-End Futurity Champion receives \$10,000, and champion saddle. Champion is determined by points accumulated at BFA approved futurities.

The BFA Board continues to work to improve winning opportunities for futurity and aged event contestants/owners. Futurity enthusiasts are encouraged to refer to BFA website, www.bfaworld.com, for upcoming events and information.

also has to make plans to attend a collegiate rodeo in Odessa, Texas, the same weekend as the Semis. She'd also like to pick up a few pro rodeos, but her classes make planning too far ahead difficult.

"I don't have a lot of unexcused absences with the classes that I'm taking right now," she said. "I'm just kind of playing it all by ear. If I have a free weekend and I can get somewhere, I probably will. If not, I'll probably be at a college rodeo."

I try to keep her lungs built up, so I'll breeze her a couple of times a week. Of course, you can rope off her too. I haven't done that yet, but Jessie told me I should. FOR SALE: 2 Year Old A Streak of Fling Filly

What Color Am I Now - 2016 Filly
sire: A Streak of Fling
dam: From Utah Ta Fame
by Poco Lijerito (by Dash Ta Fame)

- A very willing disposition and extremely good mind.
- Intelligent and kind eye demonstrates this mares personality well.
- Built extremely well for both run and turn.
- Nice short back, long underline & very correct conformation.

The dam, (From Utah Ta Fame) has been a very good producer. She definitely passes on her great disposition and athletic ability to all her offspring. Sadly, she was unraced due to an injury as a 2yr old. However, I did run her full sibling, and had a very successful rodeo career.

The 2 year old ASOF filly is currently with the trainer and has the first 30 days completed. She is a great find. Our decision to even consider this horse for sale is an extremely tough choice. I wished I had owned this talented filly 5 yrs ago. This horse is the real deal. Paid in full to Future Fortunes & VGBRA

Please contact me for any further information and price.
Serious inquires only. Lots of pictures and videos available.

Triple M (Mike Morrison Ministries)

So many promises in the Word. So little acknowledgement of them. John 10:10 tells us that the thief (devil) comes to steal, kill and destroy. But Jesus came that we have life and that more abundantly! That's a great promise! But did you know that Proverbs 6:30-31 tells us that when the thief is found out, he must repay up to sevenfold? How do you make the thief repay? In prayer. In Jesus name.

Example. I personally know of friends that have recently lost their stallion, some a mare, some a great horse, in all manner of ways. Well, that's not right! BUT GOD! When things happen to me that are of the killing, stealing, destroying variety, this is how I pray:

"Father, in the name of Jesus, I make a demand on my covenant rights as your child. The thief has stolen (the amount of your loss) from me and according to Prov. 6:31, you said that when the thief

is found out (and he is), he must repay to me sevenfold what he has stolen. I thank you that that money is coming back to me in ways I know and in ways I don't know, but I demand that money be restored to me speedily!"

If you have had anything stolen from you, use this prayer and make the devil pay! Don't back off, don't give up! Expect God to honor His word and He will!!
