# Amber Moore's Tres Dark Tigress King at Sand Cup

By Tanya Randall

Four-time National Finals Rodeo qualifier Amber Moore and her homebred 5-year-old mare Tres Dark Tigress ("Charlie") ruled the 18th Annual Sand Cup Futurity, held April 4-6 in Moses Lake, Washington. The victory in the \$10,000-added, 79-entry Futurity was worth \$5,316.

"It was a great weekend," said Moore, who wanted to thank Buck, Bobo and crew for producing yet another successful event.

Moore and Charlie were extremely consistent with a first round winning 15.465 and 15.466 that placed third in the second round. "I just went in there to make a nice smooth pattern," Moore said of her runs. "She's shown me what she can do if I don't pressure her and just let her cruise through and pick her own speed. Then she goes in and makes her pattern. I build it just like I did with Paige—make a nice smooth pass to the first barrel, ask a little bit more to the second and more to third and gun it home. She's so big and has such a stride on her that she doesn't have to be going full speed to clock."

Charlie, by junior sire Roarrr, is the second oldest foal out of Moore's multiple aged event champion and NFR qualifier CP Dark Moon ("Paige"), by Darkelly. Paige is one of only seven mares in barrel racing history to have won more than \$1 million in the arena.

Paige's oldest foal, A French Silhouette ("Stella"), a 6-year-old daughter of Guys Pocket Coin, was the 2023 Sand Cup Futurity Reserve Champion behind her stablemate Lion In Jules.

Moore said Paige is passing on her grit and determination.

"They're all like Paige, even the roan, 4-year-old French Streakin Jess ("Wylie") that I took with me," she said. "They all have her idiosyncrasies, except Charlie did let me take her win picture at Sand Cup without running me over! The paparazzi was OK so far!"

In addition to Jess A Neon Moon ("Wylie"), the 4-year-old French Streakin Jess that she'll run next year, Moore also has a 3-year-old gelding, Aint I Stellar ("Stallone"), by Aint Seen Nothin Yet.

Paige also has a 3-year-old Slick By Design, Designed By Paige, that Sophia Roberts purchased in the Pink Buckle Sale, is now owned by Trent Davis and is in training with Pete Oen.

Unfortunately, Moore doesn't have anything younger than the 3-year-olds out of Paige.

"I've had three years of nothing," she lamented. "It's been a bummer. I've had them and lost them."

The bright spot is the pending arrival of a First Down French, Paige due at the end of May.

For now, Moore is enjoying her horde of Paige babies. The latest campaigner, Charlie, got held to her fifth year due to her size.

"She's 16.2 and butt high, so she's not even done," noted Moore. "Paige is 15.3, and everything is bigger than her; it doesn't matter what I breed her to."

Charlie was started under saddle by Pam White and later sent to Cody Hyde, whom Moore said should get "all the credit on this one."

"Pam starts all my colts, and they go to her for six months," Moore explained. "They get the winter off and then they go to Cody. Stella and Wylie have not (gone to Cody) because they've been crazy easy, but Charlie is big and she knew she was big, so she got to go to Cody for three months. Stallone is going to Cody next month. I've already got him loping the pattern, but he just needs to go to Cody for the finishing touch. He seems to do that quite well for me."

## THE RUNDOWN *w/Amber Moore*

Tres Dark Tigress "Charlie" 2020 Bay Mare, 15.3 h.

BIT: A 40-year-old Butterfly (Bowtie) bit with a three-piece mouth that she inherited from Meryle Johnston

SADDLE: Burns

SADDLE PAD: 5-Star

LEG GEAR: Professional's Choice 2X Cools on all four

SHOEING: She ran with fewer shoes than she started the event with.

FEED: Purina Ultium Competition

HAY: Orchard grass and alfalfa

SUPPLEMENTS: Silver Lining Herbs, tryptophan and magnesium, Confidence EQ

ALTERNATIVE THERAPIES: Body work by Jeff Moore with Equine Rehab Inc., Axion Micro 5, FlexiNeb; RenoVo as needed.

TRAINING/CONDITIONING REGIMEN: "Since she was trained by Cody (Hyde), she's got a 20 minute time clock. Thanks Cody! It's like 20 minutes and done. Most of the time, I ride her bareback, just like her mom. If they don't need any fixing, I'll jump on them bareback."

SPONSORS: Burns Saddlery, 5-Star Saddle Pads, Professional's Choice, Tight Joints Plus, Silver Lining Herbs, Purina, RenoVo, Stressline Equine, Katie's Coast To Coast, Axion Micro 5, FlexiNeb, Mak's Magic, Wire 2 Wire Vet Products

Charlie's first futurity was at Vicky Cook's New Year's Barrel Race in Red Bluff, California, where she won the first go and finished second in the aggregate.

"I took her to Arizona but she despised Buckeye," Moore said. "She didn't know how to run on a big pattern. Buckeye is one of

those scary places. I ran her at the Xtreme, and she did good. I ran her outside and she did good. It took me until the last run there (at Buckeye). She ran a 17.4 just loping through, so it's there. She just didn't know how to navigate a big pattern. All we've ever ran were small patterns up in the Northwest."

The Rocky Top Futurity in Salkum, Washington, was their last prep race. They won the first go handily but tipped the third barrel on their second run.

Moore and crew will be back in Moses Lake for the Valley Girls Barrel Daze this weekend.

# What is SilvaPlex?

**Silvaplex is a CHELATED silver, NOT colloidal!**

(Colloidal silver is a dietary supplement on the FDA watch list\*1).

SilvaPlex is all natural, antimicrobial, bacterial, fungal and viral. Nothing and no one is allergic, and it doesn't interfere with anything else you give or do. Safe even for NICU foals. It has been used for Bleeders, Allergies, Asthma, Heaves, Pneumonia and many other respiratory issues.

SilvaPlex Immune Support can be used simultaneously with therapeutic agents such as antibiotics, steroids and mucolytics. SilvaPlex can be administered to large and small animals (dogs, cats, horses, show cattle, etc.) Recommended by Veterinarians and animal professionals. Developed and made in a USA FDA inspected GMP Approved facility and is tested for efficacy. We can provide a Certificate of Analysis on each case. Don't be fooled with colloidal silver.

There is only ONE  
**SilvaPlex!**

\*1 Is colloidal silver safe? The U.S. Food and Drug Administration (FDA) has warned that colloidal silver isn't safe or effective for treating any disease or condition. Additionally, the FDA and the Federal Trade Commission have taken action against a number of companies for making misleading claims about colloidal silver products. # Dusky Lynn Hall & Crew Tops At Two -- Eggstraspecial Too, Piper Faust Memorial

By Tanya Randall

Dusky Lynn Hall got in her final weekend of preparations for Teton Ridge's The American at the Eggstraspecial Too Spring Spectacular, held April 4-5 in Marshall, Texas, and the Piper Faust Memorial, held April 4-6 in Bryan, Texas.

The 11-year-old phenom from Huntsville, Texas, started her weekend in Marshall, Texas, where she finished first and third in the Big Stakes Race and placed in the open on carryovers for \$6,885. She topped the race on KD Baby Driver ("Enzo"), an 8-year-old gelding by A Streak Of Fling out of the Frenchmans Guy mare Watch Me Go Guys.

"He worked really good," said Hall. "He had a little stumble leaving the second. It kind of set us back going up to the third. He never really rated at the third, but he still made an amazing run."

Her new stick, JH Firewater Honor ("Louie") picked up \$2,239 on their second run together.

"I bought him not too long ago, and he's doing really, really good," said Hall.

Her mother added, "She's had him a week. She ran him when she tried him, and at Marshall and Bryan."

Hall also ran Aint Seen Famous Yet ("Wally"), who was making his first runs since the Jr Patriot in early March. Unfortunately, Wally slipped at the third barrel and Hall eased him out to a 2D time. The next morning in Bryan, her mom Dusky got on Wally in the exhibitions to make sure everything was ok with their superstar.

In Bryan, Hall topped the KK Run For Vegas Junior NFR qualifier, the Piper Faust Youth Slot Race and Open on Aint Seen Famous Yet ("Wally"). The 11-year-old Aint Seen Nothin Yet, out of A Nasty Chick, by Its Royal Time, earned \$3,384.

"I've been working really hard with him to get ready for The American," said Hall. "All I wanted to do was get my leg past the barrel, I've been working really hard on that, and I did that. We need to make that run at The American."

Enzo also picked up \$402 in 1D earnings and Louie added another \$1,948 after placing in the youth slot, open and youth.

Hall even placed well in the barrels with her pole bending horse Copper. The unregistered gelding picked up \$2,058 at Bryan after placing third in the 1D in the Open and Youth and second in the youth slot race.

All totaled, their little two-day jackpotting jaunt paid \$14,677.

The elder Hall said they plan to head to North Texas on Tuesday to finalize their prep for The American.

"We're going to go up early and let Carlos Renato ride Enzo,"

said Dusky Hall. "We're going to ride with Kelly Conrado or Jordon Briggs to tune up her riding (depending on their schedules). We haven't decided yet. We're just going to work on her horses and her riding."

As of right now, Wally is getting the call for Hall's second appearance at The American in Global Life Field in Arlington, Texas.

"I'm going to have Enzo ready," her mom said. "He's the one she won The Big League on. He can do it any day, but he hasn't had a whole lot of loud, rodeo experience. He's only 8. Neither has Wally to be honest."

Their rodeo veteran, Troublenvrlooksogood ("Dexter") is currently out with injury. The new kid, Louie, comes with rodeo experience, but Hall is still trying to get to know him.

"We bought Louie through Julie Murphy, she was riding him for Kylie Conner, who college rodeoed on him," Hall's mother said. "Julie had taken Louie to seven pro rodeos and won checks at everyone."

# Smokin Run For Hailey Gibson Stillwell & Buncha Dinero at High Desert Stampede

By Tanya Randall

Hailey Gibson Stillwell of Redcrest, California, and her home-grown 6-year-old mare Buncha Dinero ("Piper") topped the \$14,000-added High Desert Stampede, held April 3-5 in Redmond, Oregon, by more than 3/10ths of a second to win \$4,815.

"She is loving it," Stillwell said. "I feel like she's ready to light the world on fire this year."

Stillwell, who now sits within the Top 25 of the WPRA World Standings, opted to turnout of San Angelo, Texas, to head home to the West Coast early for the spring run of rodeos.

"I decided that I wanted to go home and stick with the California run," said the current California Circuit Finals Champion who will compete at the NFR Open this coming July.

Although she's entered in everything—Oakdale, California, Kingman, Arizona, Logandale, Nevada, and the WPRA Western Regional with the Calgary Stampede qualifier in Salina, Utah.

"I have to make a choice, but I haven't done that yet," said

Stillwell, who is leaning toward Logandale, Nevada, the richest one-header of the weekend and the Calgary Stampede qualifier. "After Redmond, I thought we really needed to go to the qualifier because it's the same set up."

Stillwell's initial concern was missing Oakdale, a circuit rodeo, because she wants to have the opportunity to go more outside the circuit in pursuit of a possible NFR qualification.

"I was concerned with my circuit count," she explained. Residents have to compete at a specific number of rodeos to be eligible to enter their circuit finals. "I talked to Sheena Robbins, our circuit director, and she said I should be fine. There are a lot of rodeos not on the listing yet."

Stillwell raised her precious rodeo mount, who was winning pro rodeos within her first few competition runs. She purchased a breeding to PC Frenchmans Hayday through a stallion auction and crossed him on her race-winning Thoroughbred mare Rambunchie, who is also a pro rodeo money earning barrel horse.

So far this season, Piper has won \$20,848 at the pro rodeos.

Stillwell is hopeful that Piper will have some help soon. RDC DancingToTheLead ("Fancy") is on the mend and she's starting to

# AIRWAY<sup>EQ</sup>

"Air-Way EQ has helped maintain my horse's respiratory health, I've noticed clearer sounding airways and greater lung capacity. I use Breathe'O2 paste pre-race, he sounds great warming up and really fires without feeling winded."

# Randee Prindle & Gonna Paint Fame Butter Cup Futurity Champions

If you watch the results from the barrel races up and down the center of the country; you are likely to see Randee Prindle's name all over them! This weekend at the ICRP Buttercup Futurity in Gifford, IL was no exception! Prindle took the Futurity Championship on Gonna Paint Fame, won the Friday Open on her old reliable beast Red Man Jones and ended up 3rd in the 1D Open Average on RSL Heavenly Chick. Prindle and Gonna Paint Fame won \$5,722 and Prindle's total winnings for the weekend was \$7,748. We caught up with Prindle to get a little more info about her big weekend!

**BRR:** Can you walk us through both your winning runs at the ICRP Buttercup Futurity?

**Prindle:** She's still kind of immature so the goal was to back her down and not let her just take off like she did on Friday night and it seemed to work pretty good. She had a couple hiccups and stepped past third the first round but we fixed it for the second round.

**BRR:** Can you tell us a little about Gonna Paint Fame's career up to this point and share some of the big wins?

**Prindle:** She's one I bred and raised then sold as a yearling and got the opportunity to pattern her and since then run her. She hasn't been entered much and this race was the biggest race she's been entered in so far.

**BRR:** What did you do this past couple weeks to have your horse at her best?

**Prindle:** I've been gone rodeoing and hitting bigger shows so she's actually been just at home chilling in the pasture!

**BRR:** How do you mentally prepare for big runs like this weekend prior to entering the arena?

**Prindle:** I look at each race as if it's just another barrel race and just try to improve each run.

**BRR:** How did you get started barrel racing?

**Prindle:** My mom barrel raced so I have pretty much been riding since I could be thrown on a horse.

**BRR:** What are three things (other than truck, trailer, horses and such) that you can't travel without?

**Prindle:** My dog Gizmo, my side kick child (lol) and my phone for directions and notes because lord knows I'd get lost or sidetracked along the way

**BRR:** What is the funniest thing your horse does?

**Prindle:** She gets pretty hyped up sometimes and prances around like a show pony for no reason!

# HEADIN' FOR HOME

by Sherry Morrison // Triple M (Mike Morrison Ministries)

I'm not a great parallel parker. In our town, we only have a few, very few, streets that require that skill. The other day I had to park on one of them and it took me three tries to get into the space! It was embarrassing. I think I get this parking skill from my mom.

Years ago, when we were visiting her in Texas, she and I went shopping. As she was parallel parking, she backed right into the car behind her! She then immediately pulled forward and bumped the car in front! I was shocked! I squeaked, "Mom! You just bumped those cars!!!" She calmly said, "That's what bumpers are for." Well, that is true. But it's probably not the best idea.

It's that way with grace. Some Christians are always bumping right into grace where their sin is concerned. Yes. We will be forgiven of repented sins. Yes. Grace is

wonderful. BUT. Is that how we want to live? Always pushing the envelope of sin, right on the precipice of full blown disobedience?

Paul laments in Romans 7:8-24 how he doesn't want to sin, but does. Then in Romans 7:25-8:1-4 he tells us that Jesus delivers us from sin! It's better to not even go there. We don't want to reap bad sown seed! Gal. 6:7.

Mike and Sherry Morrison pastor "Church at the Barn" in Gillette, WY. They also travel to other areas ministering at barrel races, ranches, rodeos, churches and home Bible studies.
