Justin Boots Playoffs to be Televised on ESPN2

The Sept. 11-13 Justin Boots playoffs premiere at noon on Oct. 18 and will be re-shown at noon on Oct. 24 (ESPN Classic) and again at 11 a.m. on Oct. 25 (ESPN2). The Sept. 24-26 Justin Boots Championships will air at noon on Oct. 25 (ESPN2), just after the final broadcast of the Puyallup coverage, and then re-shown at noon on Nov. 1 and noon on Nov. 29 (ESPN Classic).

Hollywood Discovers North Dakota Talent

A casting call went out over the internet and it resulted in a South Dakota native being chosen for a role in a Disney movie. The "star" is tall and handsome, and owned by Heather Benson, Fargo, North Dakota. Yes, owned.

The movie is "Secretariat" and the newly discovered star is a three year old Thoroughbred racehorse that has been in training at North Dakota Horse Park in Fargo. Benson purchased him in early 2009.

His name is Cyclone Larry and he is sired by Horse Creek Thoroughbreds resident Thoroughbred stallion, Finn McCool. Named after the hurricane that hit the Australian coast in 2006, he was one of the first foals born to mares owned by Larry McCormick, Canyon Country, California, and boarded at Horse Creek Thoroughbreds, Newell, SD.

Dorothy Snowden of Horse Creek Thoroughbreds says, "He was raised here, then consigned as a yearling to the Silver Cup Sale at Arapahoe Park, Colorado, but failed to meet his reserve price, so he returned to our farm for training." She adds, "Our neighbor, Jessy Carlson started Cyclone Larry under saddle and it proved to be an easy job as he really takes everything in stride. It's that easygoing attitude and his striking resemblance to Secretariat that led to his

being selected for the movie."

Cyclone Larry's owner, Heather Benson, said, "They were looking for a big, bright chestnut Thoroughbred with a happy attitude and good health and Larry fit that to a T. We sent in his photos and biography to their website and a week later, Larry got the call to Hollywood!"

The movie, based on the life of the Triple Crown Winner and running phenomenon of the 1970's, and arguably one of the best known racehorses of all time, will begin filming toward the end of 2009. Head Wrangler for Disney, Rusty Hendrickson, will begin training Larry for his onscreen roll as soon as he arrives at the Kentucky-based training center for the production company. Larry was being shipped to Kentucky on August 27. He will join three or four other horses needed to fill the part.

The movie is scheduled for release in the summer of 2010.

Caslin Named Director of the Unwanted Horse Coalition

Washington, DC – August 28, 2009. The American Horse Council is pleased to announce the arrival of Ericka Caslin, who will serve as the Director of the Unwanted Horse Coalition (UHC).

Caslin is a graduate of Virginia Tech's Animal Sciences program and has been an active member of the hunter/jumper community for more than ten years, competing at shows throughout the country. For the past four years, she served as the Administrative Director of the Washington International Horse Show (WIHS). As the Administrative Director of WIHS, Caslin handled many aspects of the event, from planning a large part of the show to maintaining relationships with many of the integral people and foundations within the equestrian industry. Caslin owns horses of her own, and is focused on the needs of the industry and brings a vast knowledge of the equestrian community as a whole.

Dr. Tom Lenz, Chairman of the Unwanted Horse Coalition, said, "We are happy to have Ericka join the team. She brings great enthusiasm, and an understanding of the horse industry."

"My focus and passion has always been horses, and I am truly fortunate to have found a position in which I can share my knowledge and experience of the equestrian industry. The problems of the unwanted horse population are something I feel very strongly about, and I am looking forward to affecting positive change in my new position," said Caslin.

Hollie and her mount Whistle Bugs blew away the competition at Horse Heaven Roundup in Kennewick, WA. With names like Lindsay Sears, Sheena Robbins, Tammy Key-Fischer, Sherry Cervi, and Jordon Peterson also placing it was definitely a tough race. Whistle Bugs (or Panther as he is affectionately known) stands at 16 hands and possesses the kind of speed one would expect from the sire No Whistle with a si of 103 and an own daughter of Bugs Alive In 75. Panther might be fast but he is also a gentle horse that the Etbauers' daughter, Jacie, keeps in shape and she has been riding since the now 11 year old was only a 5 year old colt.

With 150-160 horses at home in Oklahoma, Hollie doesn't get out on the road with her husband Billy that often. They are making the best of their family vacation to the northwest rodeos by fishing and doing many of the other things that regular vacationers would do. Hollie plans to hit a few more of the northwest rodeo run including Pendleton before heading back to her horse chores. However, if the rodeos keep going like this it may be hard to end the family vacation!

By Mike Morrison
Triple M (Mike Morrison Ministries)

Four little words that can change your life forever are, "Have faith in God."

The Bible tells us over and over not to fear, to have faith in God who can do all things and to let God direct our lives. God is the God of solutions and the God of the impossible. He can take the darkest situation and turn it around in ways we never imagined. He knows the beginning and the end. Jesus said in John 15:5 without Him we can do nothing.

Stand firm in your faith, never doubting God. James 1 tells us a double minded man who wavers won't receive from God. Put your faith in God and not in people or things of the world.

Don't be like the little 4 year old who got scared during the night and slipped into his parents bedroom. Going to his dad's side of the bed he whispered, "I'm scared. Can I sleep in here with you?"

The father sleepily replied, "There's nothing to be afraid of. Go back to your own bed and remember God is in there with you."

The boy thought a moment and said, "I know what we can do. Let's trade rooms. You go sleep with God and I'll stay her with Mom!"

"Well, how do I get the kind of faith I need?" you ask.

Remember it says in Romans 10:17 that faith comes by hearing and hearing by the Word of God. Read the Word of God, speak the Word of God and study the Word of God. We can help you in this area. We have weekly Bible study session at our barn church in Gillette. We also mail out the recorded sessions to hundreds of people all over the country. They're free and we even pay the postage. So if you want to learn more about living your life with power according to what God says, write to us and we'll put you on our mailing list to receive these CDs. Learn at home at your own convenience and enjoy the peace of God that comes from having faith in the Creator of all things!

Just send your name and address to: Mike Morrison Ministries, Box 2439, Gillette, WY 82717.

Mike Morrison and his wife Sherry are ordained ministers in their own non-denominational church in Gillette, WY. They also travel widely as circuit riders ministering over a large area of the western states.
