# The Schuster Show at North Dakota Roughrider Cup

By Tanya Randall

Tiany Schuster concluded her 2024 WPRA Regular Season with a \$12,701 championship at the \$60,000-added North Dakota Roughrider Cup, held September 20-22 in Mandan. She and her great horse Show Mance toured the outdoor course in 17.04 for the victory against the season's best horses and riders.

"He's just Mr. Wonderful," the Krum, Texas, barrel racer said of her winning 14-year-old gelding. "He was just showing off.

"He just feels good right now. I think when a horse feels good, they're not sore and they're rested, they don't cut corners, they don't cheat and they're not dishonest, and they run the way we train them."

The North Dakota Roughrider Cup pitted the top 32 barrel racers in the 2024 WPRA World Standings and the winners of four select Dakota rodeos in a one-run showdown. It's barrel racing payout of \$63,506 was the second-richest one-run rodeo of the summer behind the Ogden Pioneer Day's \$65,668.

Schuster wanted to give "kudos" to those who worked to keep the ground as fair as possible, namely event producer Chad Berger, his groundman Keith Benz, who collaborated with Randy Spragins, and WPRA Vice President Heidi Schmidt, who was on hand for all three performances.

## SHOW MANCE ROMANCE

Tiany Schuster has an arsenal of talented horses but Show Mance, her 14-year-old gelding, is just special.

She didn't even see Show Mance run when she decided to purchase the gelding Thanksgiving weekend in 2015.

"We were at Diamond T Arena (in Denton, Texas)," she recalled. "I was putting splint boots on Dash Ta Jones and Christine Lollis had just ran. I heard her time, and I knew what good times were in that arena, so I knew she made a really nice run. When she came buy I asked, 'Is that a gelding and is he for sale.' She said, 'Yes' and 'Yes.'"

Schuster asked Lollis to wait for while she made her run on Dash Ta Jones. Afterward, they visited about the gelding's quirks. Namely, he was no picnic to ride and was best lounged for a warmup.

Later when her partner Edwin Cameron called, she asked him if he remembered the horse that Danny Ray had been bragging about that belonged to Lollis. Cameron did but reminded Schuster that she needed a horse that excelled outdoors. Show Mance did have some experience running outside at the Oklahoma jackpots.

"He was like 'Ok, buy the horse,'" she said.

Not wanting Lollis to change her mind, Schuster gathered her money and drove to her house.

"I just hooked up the trailer and drove to her house," she chuckled. "I didn't know

"They had fast times all the way through," noted Schuster.

At No. 7 in the WPRA World Standings with \$132,495, Schuster is securely headed to her third National Finals Rodeo this December. The Roughrider Cup concluded her regular season as she's flying to Canada mid-week to prepare for the Canadian Finals Rodeo the first weekend of October. She's ranked fifth in the Canada standings with \$30,398.

Schuster has veteran Famous Mic Guy Ver and young gun Admire My Fame in Canada, while Show Mance along with her surprise star Shine By Design in Texas for the Texas Circuit Finals the second week of October.

where she lived exactly, but I knew she lived close to the feed mill where her husband worked. When I got to the feed mill, I called."

Although Lollis offered to let Schuster rider Show Mance before making the deal, Schuster declined. She also declined the offer of a pre-purchase exam.

"I told her if I ride him, I probably won't want him," she laughed. "I've never had a horse that I've won on that I just got on and loved. If we had rode Hoosier Fame, we wouldn't have bought him. I listed off a couple of others. If we would have ridden them, we wouldn't own none of them."

Her first few attempts at making a run at home didn't go well either.

"I remember the first time I took him through the pattern, I turned the first barrel and ended up along the wall somewhere between the second and third. I gathered him up and tried again, and we ended up somewhere between the second and third against the wall."

Cameron grumbled but Schuster assured him it would be fine.

She was right. The following year, thanks in large part to Show Mance, Schuster set a regular season earnings record en route to her first National Finals Rodeo. The gelding, by First Smart Money, out of Baby Blue Cash, by Hold On To The Cash, also helped her qualify a second time in 2020.

"To me he's the perfect horse," she said. "He's a free runner that's ratey and turny. Four wheel drive. He's on the front end but he uses his back end. To me, he's a little of everything. If you could take a pinch of every spice, he's all that's naughty and nice."

# The Privilege of Pressure – 2024 NFR Qualifications on the Line

By Tanya Randall

The North Dakota Rough Rider Cup in Mandan further compressed the race for the 2024 National Finals Rodeo.

Six barrel racers are battling for the last three spots within the WPRAs Top 15. Three of them currently hold those coveted positions, while the remaining three hunger for them.

Less than \$7,500 separates No. 13 Carlee Otero, No. 14 LaTricia Duke, No. 15 Shelley Morgan, No. 16 Tayla Moeykens, No. 17 Paige Jones and No. 18 Jordon Briggs, who is \$3,246.73 behind Morgan.

As tight as their race is, Abby Phillips, Halyn Lide and Andrea Busby, who sit No. 10 through 12th respectively, have also entered up over the last weekend as a preventive measure.

The Governor's Cup in Sioux Falls, South Dakota, is the richest rodeo of the weekend with a \$144,444.44 purse for the barrel racers. The catch is it's limited to 12—the top four finishers at the Cinch Playoffs in Puyallup, Washington, earlier this September and the remaining top eight contestants in the Playoff Tour Standings.

Contestants for the Governor's Cup, in first go run order as based from lowest to highest in point standings then Puyallup finish, are Jordon Briggs, Dona Kay Rule, Andrea Busby, Latricia Duke, Wenda Johnson, Kassie Mowry, Emily Beisel, Hailey Kinsel, Shelley Morgan, Chelsea Moore, Halyn Lide and Ashley Castleberry. The second round will be reverse order the following night.

Each round will pay \$11,000, \$8,250, \$5,500 and \$2,750 for first through fourth. No money will be paid in the aggregate, but the top eight will advance to Saturday's Semifinals.

The top four in the Semifinals will run again for the big money--\$30,000 to first, \$22,500 to second, \$15,000 to third and \$7,500 to fourth. Those finishing fifth through eighth in the Semifinals will earn \$3,611 each.

Only Castleberry, Kinsel, Beisel and Johnson competed in Sioux Falls last year. Beisel and her new mare at the time Ivory On Fire topped the event to the tune of \$43,750. Johnson made the Semifinals. Castleberry, who as on the bubble last year, was also a money earner. Kinsel was without her dragon slayer DM Sissy Hayday, who was at home recovering from "a horse being a horse" injury, and was just short of advancing to the Semifinals.

Those needing to use this year's Governor's Cup to their advantage are Duke, Morgan and Briggs.

Duke jumped from 15th to 14th after placing at three rodeos this past weekend – Amarillo, Texas, Omaha, Nebraska and Mandan. While she will compete on her exceptional stallion DM High Roller at Sioux Falls, Duke has Rey Of Fame heading west for Mona, Utah, Poway and San Bernardino, California. Stephenville, Texas, is also a possibility for her on Sunday.

She said it's an honor just to be in this position, especially with her homegrown horse.

"There are very few people that get to experience being in this position," she said. "If I end up on the outside or inside...either way...how cool for my horse? That's what all this was about. Him. He's a good enough horse to be in the fight. He's in there with

some of the best horses in the world. I'm so proud of my horse."

Morgan, who sits in 15th, has put all her eggs in the Sioux Falls basket. Her great mare HR FamesKissAndTell is the 2022 NFR Champion, so the short course at Sioux Falls should be right up their alley.

Briggs, too, is putting all her hopes on Sioux Falls. Her great horse Famous Lil Jet had already pulled off a miraculous season, returning from injury to start the rodeo season mid-June and winning nearly \$100,000 in less than four months to be on the cusp of a fourth NFR berth.

Those not competing at Sioux Falls will place all their hopes on a selection of six rodeos. Nearly everyone needing to win money or pad their position will compete at the \$4,000-added in Mona, Utah, in slack on Wednesday. With the same added money last year, the win paid \$2,185.

Most will also make the California swing of Poway, San Bernardino and Bakersfield. All three rodeos upped their added money this year to \$6,500, \$12,000 and \$2,250, respectively. Last year, Poway paid \$1,911 with \$5,000 added, San Bernardino awarded \$3,352 with \$10,000 added and Bakersfield yielded \$810 with \$1,600 added.

The few competing in both Sioux Falls and the California swing simultaneously will split their horses and fly between rodeos.

The first round of Sioux Falls is Thursday night. A red eye flight gets them to morning slack in Poway before flying back to Sioux Falls for the second round Friday night. Another red eye flight takes them back to San Bernardino for slack. Those who make the top eight in Sioux Falls will return, while those that did not have time to haul their top horse to Texas.

The last minute Texas swing features Stephenville's \$4,000-added and New Braunsfels' \$2,000-added. Last year, those rodeos paid \$2,681 and \$998, respectively. It's worth noting that in the past entry numbers have helped Stephenville pay better than some of the California rodeos with more added money.

With just one big gun in her arsenal, Carlee Otero and Blingolena will run for big money at Mona, San Bernardino and Poway.

Recent college grad and former College National Finals Rodeo Champion Tayla Moeykens said she's just going "do the best we can" at her four remaining rodeos. She'll start a Mona and then finish out with the three California rodeos. The current split between her 16th position and an NFR berth is \$468.26 but that number is meaningless once the week's rodeos start.

Paige Jones, who made her first NFR appearance last year, is no stranger to the bubble. She'll run at Mona before hitting the Texas Swing with her lone gunner Famous Hayday.

# Schaffran & BR Big Red Dog Big Dogs at Xtreme

At the Xtreme Nampa Mini Million, Br Big Red Dog and Summer Schaffran used their last run of the weekend to snag a victory in the Sunday Open and also captured the Mini Million as well! Their 16.979 run snagged them a \$8,339 check for the weekend. Br Big Red Dog & Schaffran are always at the top of the results in the northwest so we caught up with Schaffran to ask her about her run and also about Br Big Red Dog's recent brush with cancer and his return to winning.

**BRR:** Can you walk us through your Sunday Open winning run that also won the Mini Million?

**Schaffran:** I woke up Sunday morning telling myself and my parents I am going to run a 16.9. I prayed with Red before our run asking for just one more safe run. I went into that holding pen and his heart started pounding and I knew it was game time!

**BRR:** Can you walk us through your other runs for the weekend on Br Big Red Dog?

**Schaffran:** After Red got his tumor removed I have basically had to learn how to ride him again. He changed a lot since cancer (mostly just because he feels so much better now). My Friday and Saturday runs were just what I wanted, clean, safe, and in the 17 club.

**BRR:** Can you share with us a little more about his cancer and treatment?

**Schaffran:** About a year ago we found a small lump in his groin. We got him checked out and everyone was sure it was just a fatty cyst. We continued to watch it grow, and grow, that's when we had a gut feeling to cut it out. It's been about 3 months since he has gotten the surgery and we got the call it was a sarcoma tumor. They told us there was still cancer strands left in his groin, we got told we could hit it hard or just let it be. Of course he is my baby so we decided to hit it hard. He had 3 chemotherapy treatments until the lump was completely gone. He is now a cancer survivor, but will still need to have his checkup appointments here and there. He is now running better and is the healthiest he has ever been!

**BRR:** Can you tell us a little about Br Big Red Dog's career up to his point and share some of his big wins?

**Schaffran:** Red has had a very successful career so far, he has qualified us twice for The American Rodeo and twice for Jr. World Finals. He has won himself the 2D Derby Top Breeder Champion, and continues to keep adding to his LTE.

**BRR:** What did you do this past couple weeks to have your horse at his best?

**Schaffran:** I consistently exercise him, and do PEMF therapy, chiropractic, but most importantly before we have big races I let him be a crazy horse in his pasture. I find the most important thing for a good run is a happy horse!

**BRR:** How do you mentally prepare for big runs like this weekend prior to entering the arena?

**Schaffran:** I have to be alone with Red for awhile and think about how I want this run to go. My dad comes into the arena with me every single run I have. He talks as Red and does silly voices, he keeps me calm. I tell myself God and my guardian angels have a plan for me, so just go with it.

**BRR:** How did you get started barrel racing?

**Schaffran:** I started just riding horses for fun, then I watched "Walk, Ride, Rodeo" and knew that's what I wanted to do. Amberley Snyder is who I owe a big part of my success to!

**BRR:** What are three things (other than truck, trailer, horses and such) that you can't travel without?

**Schaffran:** I can't travel without Cloud boots on my horses, Red and I need our mini horse, and my lucky rodeo dog.

**BRR:** What is the funniest thing your horse does?

**Schaffran:** Red has to lick metal after he runs, doesn't matter what kind and if he is in a pinch, he will lick my belt buckle!

# Leading Barrel & Race Sire Winners Version Passes

Last night the leading barrel & race sire Winners Version passed away from complications from colic surgery. The 2006 brown son of Holland Ease out of the Runaway Winner mare, The Jubilee Diamond started his life as a race horse. His second dam was Champion Denim N Diamonds so he was destined for greatness on the track.

During his racing career he was a stakes winner of the Hobbs America Derby (G3) along with being a Stakes Finalist to pretty much all the big races in the country including the Golden State Million Futurity, Los Alamitos Two Million Futurity, Ruidoso Futurity, Rainbow Futurity, and All American Futurity to name a few. All told he earned \$399,046.

Winners Version started out his sire career as a race sire and over the past several years also became a leading sire of rope horse and barrel horses. All told he is the sire of race, roping and barrel horses of over \$7.2 Million.

Some of his top race earners per QStallions are Seeyalateralligator (\$372,642), Icy Morning Breeze (\$286,740), Dungarees Version (\$198,653), Wahene Version (\$179,600), and Teana Fay (\$176,597). Some of his top barrel horses are Upstream Jack (\$189,039), Speed Version (\$91,523), Winners Game Version (\$77,268), The Right Version (\$73,160), and Saaul Good (\$66,070). His top rope horse Hankies Version has recorded earnings of \$65,376.

The striking brown sire stood at Highpoint Performance Horses of Pilot Point, TX. His legacy will be carried on for many years to come through his offspring.

Below is the post from the "Highpoint Barrel Horses" Facebook page:  
WINNERS VERSION; 2006-2024

It is with very heavy hearts that we announce the passing of our legendary Winners Version.

Winners Version passed away last night due to complications from a colic surgery. His loss is felt deeply here at Highpoint and through out the entire Quarter Horse industry.

Winners Version was an incredible athlete and stallion with progeny earning in excess of \$7 million dollars in the racing, barrel racing, and team roping pens. We were honored to have owned him. His lineage will live on through his incredible sons and daughters. We will be offering frozen semen with a limited book.

\*\*\*Our thoughts and prayers are with Jason, Charlie, Christi and the whole crew at Highpoint.

# Shipley & RvJessgointavegas Shine on Prom Night

During the ICRP 3 Day Event at Reflections Arena, RvJessgointavegas and Christian Shipley took advantage of the High Stakes Race on Saturday to win a nice \$8,300 check for their swift 14.523 run. This team's time also won the Saturday Open plus they had won second in the Friday Open, all told this team banked a cool \$10,533 on the weekend and Shipley banked a total of \$11,196 with all his horses combined. We caught up with Shipley to talk about his big weekend on his very big horse!

**BRR:** Can you walk us through your Saturday Open winning run that also won the Saturday High Stakes Race?

**Shipley:** Jesse is a pretty easy going horse that is not very opinionated.. he really just wants to please and be a good boy!

**BRR:** I was pretty close together in the slot race.. my fault. We didn't pre enter Johnna

**Shipley:** Sprouse decided after Fridays run to enter him in Saturdays High Stakes Race. So Chris warmed him up for me and had him ready to roll. We were bottom of the ground but that doesn't bother this big dude. . . I sure wouldn't want to run behind him. He not only covers the ground but he MOVES IT TOO! I knew before they announced my time that it was fast. He just felt so good and was running so hard!

**BRR:** Can you walk us through your other runs for the weekend on RvJessgointavegas?

**Shipley:** Jesse has spent several months with me this year but I had just picked him up from Aubrey Sprouse on Friday morning since he had been on the pro rodeo road with her. So I had decided to make a pass on him on Friday night to work out any kinks we might need to. He felt great.. just like where we had left off! Ran in hard and ended up 2nd out of 218.

**BRR:** Can you tell us a little about RvJessgointavegas's career up to his point and share some of his big wins?

**Shipley:** I got Jesse as an unseasoned consignment horse earlier in the year with just a few entries under his belt and ended up selling him to the Sprouse family after we had multiple Open and 1D average wins. He came on quick and has done well on the rodeo road so far with Aubrey! Hoping he is going to be one of her main string rodeo horses this year!

**BRR:** What did you do this past couple weeks to have your horse at his best?

**Shipley:** Aubrey and I are a good team to work together and do things very similar. I ride a lot of her horses while she is on the road and switch out with her what is winning! She has kept him rode the last few weeks.

**BRR:** How do you mentally prepare for big runs like this weekend prior to entering the arena?

**Shipley:** I have learned long ago to not overthink and not over ride. It's easier to pay a bigger entry fee or get to a bigger stage after winning at local levels and feel like you need to try harder or ride harder.. that is not the case! Don't change what is and has been working for you! It's easy to think you need to. . . but. . . treat every race the same!

**BRR:** How did you get started barrel racing?

**Shipley:** I have rode since I was 3 years old. Started barrel racing around the age of 9 just at our local saddle club horse shows and then on to a local NBHA district. I have been completely self taught. . . watching closely to those who I have looked up to over the years and learned a lot from many different great hands.

**BRR:** What are three things (other than truck, trailer, horses and such) that you can't travel without?

**Shipley:** My Equipod, my Equi-Resp nebulizer (with alpha2eq of course) and definitely my Josh Andrews Lightweight saddle!!!!

**BRR:** What is the funniest thing your horse does?

**Shipley:** Honestly I have several horses with funny quirks. . . . But Jesse is a true gentleman. I don't think you could ever ask him to do anything out of line or even funny. Might sound boring but riding and hauling as many as I do. . . he is definitely a breath of fresh air! (LOL)

THANK YOUS: Thank you to the Sprouse Family for always trusting me with their barn full of top mounts. For allowing me and believing in my program to help keep them competitive on the road! Also thank you to Krystal Teel and Jim Saig for thinking I would be a good fit for him quite a while ago when they first sent him to me!

The 2024 Wrangler National Finals Rodeo presented by Teton Ridge, Dec. 5-14 at the Thomas & Mack Center in Las Vegas will have a new policy.

A “Review” system will be implemented at the upcoming NFR.

“As access to technology has increased, it is vital that we adapt a fair opportunity for competition. The PRCA is committed to providing our committees the best resources to allow for the best competition, including embracing video review, when possible,” said Steve Knowles, PRCA’s Director of Rodeo Administration.

“I’m happy to see the success and growth of breakaway roping since the inaugural National Finals Breakaway Roping in 2020,” PRCA CEO Tom Glause said. “Breakaway roping has experienced substantial growth and it is now featured at 500 rodeos annually. It is amazing that the breakaway ropers now have an opportunity to compete for \$300,000 at the NFBR.”

The 2024 Wrangler National Finals Rodeo presented by Teton Ridge is Dec. 5-14 at the Thomas & Mack Center in Las Vegas.

Jimmie Munroe, WPRA president, is also excited for the 2024 NFBR and the future of the event.

“We are always excited to see growth in our Association and this is a great step forward for our breakaway roping membership,” stated Munroe. “We encourage all the fans to come out and support these ladies. This will be our third year at the South Point and last year produced three of the fastest times in the history of the NFBR with 1.7-second runs, so you can expect to see lightning-fast times from the best breakaway ropers in the world competing for a world championship.”

Breakaway roping has gone from being featured at 30 rodeos in 2019 to 500 rodeos in the 2024 season.

The South Point Hotel, which is a hotspot for contestants and visitors during the Wrangler NFR, is thrilled to be the event venue for the 2024 and 2025 Wrangler NFBR.

“We love having the breakaway roping and I have no reason to believe that this year will not be the best year yet,” said Ryan Growney, General Manager of the South Point

## Richest Rodeo East of the Mississippi Announces Roster

Ahead of the WCRA's (World Champions Rodeo Alliance) second edition of the \$400,000 Rodeo Carolina in Mill Spring, North Carolina, the richest rodeo event east of the Mississippi, the organization today announced the 222 athletes who will compete. The competition, scheduled for Oct. 3-5 at the Tryon International Equestrian Center & Resort, will be met with added significance as the event will determine the initial eight athletes who will compete for the WCRA team, The Free Riders, at the 2025 Kid Rock's Rock N Rodeo.

The Rodeo Carolina Champions will join the 2025 Rodeo Corpus Christi winners to assemble WCRA's 2025 team for Kid Rock's Rock N Rodeo. Kid Rock's Rock N Rodeo is a reimagined rodeo produced by PBR (Professional Bull Riders) in partnership with Kid Rock. Six teams, each led by a legendary rodeo head coach, will compete head-to-head in bracket-style competition that will kick off the PBR World Finals Championship weekend in May 2025.

In May 2024, at the inaugural Kid Rock's Rock N Rodeo, the WCRA Free Riders rode lights out, winning three gold medals in Round 1 before cementing their title as champions by winning four of the disciplines in the championship round. The team won a total of \$500,000 for the victory, with each team member taking home nearly \$28,000.

Of the more than 200 athletes slated to compete at Rodeo Carolina, 24 hail from North and South Carolina, led by Taylor Earnhardt Putnam, daughter of legendary NASCAR Driver Dale Earnhardt. Putnam, the 2015 All-Around Cowgirl at the Southern Rodeo Association, will compete alongside her husband, Brandon Putnam. The Mooresville, North Carolina couple will compete across four disciplines. Taylor will compete in breakaway roping and barrel racing, while husband Brandon will compete in tie-down roping and head for legendary cowgirl and 2020 WRWC (Women's Rodeo World Championship) Champion Jimmi Jo Montera in the team roping.

No stranger to Rodeo Carolina, Taylor Earnhardt Putnam competed in the qualifying rounds of the event in 2023, but did not advance to the progressive rounds.

Below is the list of athletes from North and South Carolina set to compete at Rodeo Carolina:

BRANDON PUTNAM	TIE-DOWN, TEAM ROPING
CARMEN OATES	BREAKAWAY ROPING
CECELIA JONES	BARREL RACING

TAYLOR EARNHARDT PUTNAM	BARREL RACING, BREAKWAY ROPING
TAYLOR WRIGHT	BREAKAWAY ROPING
TORI MURDOCK	BREAKAWAY ROPING
TREY LLOYD	STEER WRESTLING
TYLER KIDD	STEER WRESTLING

Nine athletes come into the event ranked No. 1 on the WCRA leaderboard: Quintonn Lunsford (bareback), Tyler Pearson (steer wrestling), Casey Hicks (team roping header), Montera (team roping heeler), Julie Plourde (barrel racing), Shad Mayfield (tie down roping), Clayton Sellers (bull riding), and Martha Angelone (breakaway roping).

The remaining roster includes 188 timed event athletes and 34 rough stock athletes who qualified by nominating their efforts on the WCRA leaderboard.

Other competitors to watch include young gun barrel racer Makenzie Mayes, a star of the 2024 Free Riders roster. The 20-year-old college student dominated the 2024 Kid Rock's Rock N Rodeo competition, remaining undefeated throughout the event and setting the Arena Record at the Women's Rodeo World Championship the day before.

For the first time at a WCRA event outside of the WRWC, a women's team roping duo will compete as 23-time World Champion Jackie Crawford heads and nine-time World Champion Kelsie Domer heels. Crawford and Domer are two of the highest-earning athletes in WCRA, with Crawford nearing the \$300,000 mark while Domer's earnings exceed \$189,000. Crawford has three WCRA championship titles, while Domer has two.

## Rodeo Corpus Christi is Final Qualifier for Kid Rock's Rock N Rodeo

For the second consecutive year, the champions coming out of Rodeo Corpus Christi will form half of the WCRA's Kid Rock's Rock N Rodeo team. The WCRA Major event, part of the annual Buc Days Festival, takes place from May 6-10 at the American Bank Center on the Corpus Christi Bayfront. The total payout of more than \$600,000 will dedicate more than \$60,600 to each discipline.

The event starts on May 6 with the CEAT DY Showcase, where the future of rodeo competes for \$55,000. These top youth athletes compete against each other on the same playing field as the pros. May 7 is the Wild Card Round. Athletes ranked 7-16 on the leaderboard will compete, and the four fastest times/highest scores will advance to the progressive rounds (May 8-9) to join the athletes ranked 1-6 on the leaderboard. The May 10 Showdown Round will consist of the winners of progressive rounds one and two and the top four from the progressive rounds based on a two-head aggregate. The top three scores/times will advance to the Kid Rock Rodeo Round (the top six barrel racers will only run in the Kid Rock Rodeo Round), where each champion will walk away with \$15,000 and a spot on the WCRA's Kid Rock's Rock N Rodeo team.

New to Rodeo Corpus Christi, the 2025 event will use the Kid Rock N Roll Rodeo Light System to start each timed event discipline. There will be no traditional barrier to start the run time. The event will use a drag racing-style light, going from a blue light to a single red light, double red lights, yellow lights, and a final green light. Once the light turns green, the athlete's time will begin. This lighting and start system will be used at AT&T Stadium during the 2025 Kid Rock's Rock N Rodeo.

As of April 6, the top 16 athletes on the 2025 Rodeo Corpus Christi Leaderboard (RCC25) in each discipline will compete for their piece of the over \$545,500 purse across nine disciplines which include – Bareback Riding, Women's Breakaway Roping, Saddle Bronc Riding, Steer Wrestling, Team Roping Heading, Team Roping Heeling, Tie-Down Roping, Barrel Racing, and Bull Riding.

In addition to the \$545,500 WCRA Major Rodeo, a purse over \$55,000 will be awarded to WCRA Division Youth (DY) athletes at the 2025 CEAT Division Youth Showcase Rodeo. This youth rodeo showcase will take place in a special Tuesday night performance in American Bank Center and will be followed by a live concert similar to the standard pro rodeo performances each night Wednesday through Saturday.

"We are excited about our continued partnership with WCRA and PBR and to see this expansion of Rodeo Corpus Christi athletes competing on Kid Rock's Rock N Rodeo team," said Buccaneer Commission President & CEO Johnny Philipello. "We have always tried to be on the cutting edge of rodeo, and this innovation to the start of each run just raised the bar for athletes and our fan base."

In May 2024, at the inaugural Kid Rock's Rock N Rodeo, the WCRA Free Riders rode lights out, winning three gold medals in Round 1 before cementing their title as champions by winning four of the disciplines in the championship round. The team won a total of \$500,000 for the victory, with each team member taking home nearly \$28,000. The Free Riders were the lone team not formed by the Kid Rock's Rock N Rodeo Draft.

The 2025 WCRA Team will include champions from every discipline except bull riding. The bull riding champion will secure a spot in the PBR World Finals Redemption Round in Fort Worth. The next Kid Rock's Rock N Rodeo is set for May 2025 during PBR World Finals Week.

The Rodeo Corpus Christi Champions will join the 2024 WCRA Rodeo Carolina Champions to complete the WCRA Free Riders Roster to defend their championship title.

Any athlete can nominate and qualify for the 2025 Rodeo Corpus Christi to make the 2025 team. Nominating an event with WCRA means the organization will track your results for the event. Nominations for Rodeo Corpus Christi are now open and close on April 6, 2025.

# HEADIN' FOR HOME

by Sherry Morrison // Triple M (Mike Morrison Ministries)

I was praying about what God wanted me to tell you this week. I felt kinda stuck. So, I started reading in Titus, just listening. I didn't get too far.

In Titus 1:15 it says in part, "To the pure all things are pure, but to those who are defiled and unbelieving, nothing is pure; but even their mind and conscience are defiled. They profess to know God, but in works they deny Him, being abominable, disobedient, and disqualified for every good work.

"Whoa! That's harsh, but certainly it's exactly what we are seeing in the world today. Though the facts are pointing to evil, God is pointing those who love Him, to good.

As His children, we do not look at these end times as "evil only". We look at these

times as signs of Jesus' soon return. He's moving toward us quickly! The Lion of Judah! That is so exciting! We have nothing to fear or dread! We need only to 'eagerly wait'. Hebrews 9:28. Look up! Our redemption draws near!

Mike and Sherry Morrison pastor "Church at the Barn" in Gillette, WY. They also travel to other areas ministering at barrel races, ranches, rodeos, churches and home Bible studies.
