## MQHRA & MN Lakes Barrel Race Team up for Off-the-Track Horses

Shakopee, MN- The Minnesota Quarter Horse Racing Association and Minnesota Lakes Barrel Race have joined forces to offer off-the-track Minnesota racing Quarter Horses a barrel racing side-pot. This is an effort to help re-home off-the-track horses to new positive careers and reward the owners that give these horses that opportunity.

At the MN Lakes Barrel Race, October 17, 2009 held at the Red Horse Ranch in Fergus Falls, Minnesota, MQHRA will have a \$1000 side-pot for any age Off-The-Track Minnesota Quarter Horses. The MQHRA side pot will be restricted to horses with verifiable racing past performances that have raced either at Canterbury Park in Minnesota, or are Minnesota born and have raced at another AQHA approved track. For the details and more information visit [www.mnlakesfutures.com](http://www.mnlakesfutures.com) or [www.MQHRA.com](http://www.MQHRA.com).

## Over 1,500 AQHYA Members Qualify for Youth World Show

The American Quarter Horse Journal, June 6, 2009 – The theme for the 2009 Ford AQHYA World Championship Show is “Rock Your World,” and more than 1,500 youth exhibitors have already qualified to compete. National qualifying ended April 30.

There are still opportunities for American Quarter Horse Youth Association members to be part of the excitement in Oklahoma City. Each affiliate can send four entries per class to compete at the Ford Youth World. Contact your state affiliate for more information. State youth advisers are listed at [www.aqha.com/youth/affiliates/affiliateadviser.html](http://www.aqha.com/youth/affiliates/affiliateadviser.html).

Last year, Morgan Holmes represented Florida as a state qualifier in performance halter mares at the Ford Youth World. Morgan and her gray mare Photons Cool Carrie took home the gold world

championship trophy and a prize package.

Ford Youth World also offers AQHYA members the opportunity to compete without their horses.

AQHYA members can show their knowledge and skills at the horse judging, horse bowl, talent, speech, team demonstration and scrapbook contests. Check out the details at [www.aqha.com/youth/activities/contests.html#aqhyaworldshow](http://www.aqha.com/youth/activities/contests.html#aqhyaworldshow). The deadline for entries for Ford Youth World contests is July 15, 2009.

If you can't be in Oklahoma City, don't miss any of the action. The American Quarter Horse Journal will be providing extensive online coverage including special feature stories, interviews and photos of the world champions and all the latest news from the show. A new addition this year will be updates via Twitter. Visit [twitter.com/AQHA](http://twitter.com/AQHA) or follow @AQHA in your Twitter client. Watch all the action in the arena through the Fort Dodge Web cam, and check out behind-the-scenes photos.

The Ford AQHYA World Championship Show is the world's largest single-breed youth world championship show. This is the pinnacle for youth around the world who will compete in the 33 classes in halter, English and western disciplines. The 2009 Ford Youth World will be July 31-August 8 at State Fair Park in Oklahoma City.

# Headin' For Home

By Mike Morrison  
Triple M (Mike Morrison Ministries)

Father's Day is coming up soon and with it comes picnics, gifts, barbecues, cards, phone calls and visiting.

It's nice that we honor our earthly fathers but what about our Heavenly Father? He is the one "in whom we live and move and have our being." Our Heavenly Father's nature is one of compassion and mercy. The apostle Paul described Him as "the Father of compassion and the God of all comfort" (2 Corinthians 1:3).

James 1:17 says that every good gift and every perfect gift is from above, and comes down from the Father. Matthew 7:11 says, "If you then, being evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask Him?"

God created us to be His family and it is His desire that all men be saved. He said if we'd only ask, we'd receive from Him. He has given us all free will to make choices and, sadly, many make wrong choices and choose the world over God.

God never said we wouldn't have problems if we got born again in Christ but He promised to be with us and bring us through our

problems. He said He would never forsake us and there is no problem so big that God hasn't an answer for it. Many times, difficulties are only opportunities for God to act and show His power.

We need to thank our Father God every day for His protection and care. We live in a blessed country and are free to worship and work as we choose. We take all the details of the universe for granted but God sees to the rotations, the seasons, the rain and sunshine, and the tides. He keeps the right mixture of gases in the air or we couldn't survive. He cares for the smallest detail in our lives.

So this Father's Day when you honor your flesh and blood father, remember to also honor the Father of all creation who keeps His promises to His children to pour out blessings upon them.
